SOLBEACH IS AMBASSADOR OF THE NORTH SEA FOUNDATION. WHAT DOES THAT MEAN?

Why would we get fish from far away when we can
get top quality fish from our own harbour? Solbeach is
working with sustainable and local products that you
can enjoy everyday!

Tap water

At Solbeach we feel that being able to order a glass of
tap water, instead of bottled water is very important.
The production, transportation, and the packaging are
all very stressful on the environment. We offer you tap
water for a small payment, and all the profits will go to
the Katemo school in Zambia.

GLASS OF WATER 0,75
